TENDER NO.: GASONET/C&P/GSL/PE PNG/UK/2026-2027/25

DATE: 04.09.2026

CORRIGENDUM-2

Subject: Revision of Incentive Scheme and Further Extension of Bid Submission Deadline - Hiring of Services for MDPE Laying and Associated Works (LMC) for UK GA.

With reference to the above-mentioned tender and the Tender Document dated 13.08.2026, bidders are hereby informed that the Incentive Scheme for PNG Connection provided on Page No. 153 of the Tender Document has been revised. Accordingly, the incentive scheme shall be read and considered as follows, in place of the existing table.

Revised Incentive Scheme for PNG Connection

Sr. No.	Per Month NG (Live Connection)	Incentive per Connection
1	Up to 150	Nil
2	151 to 200	Rs. 200
3	201 to 300	Rs. 250
4	301 and above	Rs. 300

Basis of Incentive Calculation:

- The incentive shall be calculated on an incremental basis. Accordingly, the incentive rate applicable to each slab shall be payable only for the number of connections falling within that respective slab.

Example 1 - 250 Live PNG Connections in a Month: First 150 connections = Nil; next 50 connections (151-200) = 50 x Rs. 200 = Rs. 10,000; next 50 connections (201-250) = 50 x Rs. 250 = Rs. 12,500. Total Incentive = Rs. 22,500.

Example 2 - 310 Live PNG Connections in a Month: First 150 connections = Nil; next 50 connections (151-200) = 50 x Rs. 200 = Rs. 10,000; next 100 connections (201-300) = 100 x Rs. 250 = Rs. 25,000; next 10 connections (301-310) = 10 x Rs. 300 = Rs. 3,000. Total Incentive = Rs. 38,000.

Accordingly, the above revised incentive scheme shall supersede the Incentive Scheme appearing on Page No. 153 of 153 of the Tender Document. All other terms, conditions, specifications, scope of work, SOR, GCC, SCC, HSE requirements and other provisions of the Tender Document shall remain unchanged.

The Bid Submission Deadline has been extended up to 11.09.2026 till 15:00 Hrs. Bidders are requested to submit their bids at the earliest to avoid last-minute submission issues.

This Corrigendum-2 shall form an integral part of the Tender Document and shall be read in conjunction with the original Tender Document.

Bidders are advised to Keep themselves updated by visiting our website regularly for Updates.
